How can insurance agents mitigate challenges around the hard market?

A hard insurance market is a tough playing field for agents and brokers. As the upswing in a typical insurance market cycle, a hard market tends to mean higher premium rates and less market capacity.

After the bank foreclosed on my mom's house, I bought a life insurance policy to make sure the same thing never happens to my wife

Life insurance was never one of my financial priorities. In fact, if you asked me a couple years ago, I would have told you that buying a policy was for suckers.
